I hope everyone enjoyed Mardi Gras because we sure did. Nancy and I just returned from Austin where we were visiting our Grandson. As my daughter says, "It is all about the baby". Some people go skiing in Colorado to get away from the crowds but I think until we retire and move to Texas all our Mardi Gras will be in Austin.

The CCCC Car Show is coming in a couple weeks and we need everyone to participate by registering and purchasing a Sponsor Trophy. Also, your assistance at the registration desk, parking, set up, clean up and many other tasks is needed. Please call Gordon or myself to volunteer. There is a lot of work to make the show a success so please support this club event. A registration form is attached to the Newsletter so fill it out and bring it to the General Membership meeting this Friday. The pre-registration ends tomorrow but I think I can speak to someone about backdating the application.

Reserve March 22nd on your calendar. Our club will celebrate its 45th Anniversary on March 6th; however due to the Car Show we will hold the celebration at Oak Alley on the 22nd. Additional details will be forwarded in a separate email. In honor of the anniversary Felix has made a special logo and is taking orders for club shirts with the original or 45th anniversary logo. An order form is attached later in the Newsletter for your use. I thought I had a copy of the form that listed the colors and contained pictures but unfortunately through some error on my part I do not.

I was watching a commercial last night and this guy tries to get into the elevator but it closes, he hails a cab but someone takes it before he gets there. There were several other cases where he tries but does not succeed and the last is when he finally gets home and turns the TV on to see his favorite show, just as it ends. But luckily for him he had it recorded. I have felt like that guy recently with my computer situation. I bought a new laptop but have not been able to transfer everything over yet so I have some things on the old desktop, some on my work computer and some on the new machine. I tried to send email from Austin but could not. I could have send it from my work laptop but the email address book was on my personnel laptop and I could go on. So I really appreciate what he was feeling. So much for my tale of woe but I will be following through with the membership

renewals when I get things sorted out. I will then be turning over the Membership Chairman duties to Richie Plauche so please give him your support.

I would like to thank our Sponsors, Banner Chevrolet, for their continued support of the club. We all know the current economic situation and how it is affecting the car industry but even in these tough times they have chosen to continue the association with the CCCC. If you are thinking of a new vehicle make sure you contact John Tuohey at Banner.

Unfortunately, there are no meeting minutes for the Newsletter this month because the Secretary told me she was busy with the Grandbaby. Hopefully next month they will return to their proper place after I do some negotiating.

Well, I hope to see you at the meeting on Friday and in the mean time Save the Wave

Richard

Blond Joke Corner:

A blind man walks into a bar...

By mistake, the blind man wanders into an all girls biker bar. He finds his way to a bar stool and orders some coffee. After sitting there for awhile, he yells to the bartender, 'Hey, you wanna hear a blonde joke?'

The bar immediately falls absolutely silent. In a very deep, husky voice, the woman next to him says, 'before you tell that joke, sir, I think it is only fair -- given that you are blind -- that you should know five things:

1. The bartender is a blonde girl with a baseball bat.
2. The bouncer is a blonde girl.
3. I'm a 6 foot tall, 205 lb. Blonde woman with a black belt in karate.
4. The woman sitting next to me is blonde and a professional weightlifter.
5. The lady to your right is blonde and a professional wrestler.

Now, think about it seriously, Mister. Do you still wanna tell that joke?'

The blind man thinks for a second, shakes his head, and mutters, 'No.... Not if I'm gonna have to explain it five times.'

My thanks to Ken Centola for the joke
